Sir,

Fee for filing Appeal Brief

In the Examiner's advisory action dated 03/18/98, the Examiner indicates "the period of response expires ...on the mailing date of this advisory action", and as no previous responses are filed within that period, so any extension of time to the response period is not necessary. The one month extension fee \$ 55 which I filed on Jan., 7, 98 and for which I've request for a refund, should therefor become payment in excess.

Attached herewith is a draft \$ 100. The amount of this draft together with the payment in excess is \$155, and is for payment of the fee for filing Appeal Brief.

Date: April, 29, 98
